

STEM Research & Innovation (SRI), National Level Competition, NAC-2017.

Dear Parent,

The **STEM Research & Innovation (SRI)** in association with Scientific Development Research Organization (SDRO) is organizing **National Level Competition, NAC-2017**. This competition will facilitate a deeper understanding of practical Astronomical and Astrophysics expertise.

- **Eligibility:** Students from Class 5th to 9th would be eligible to participate in NAC-2017.
- **Registration Fee:** The registration fee for each student to participate in NAC 2017, is **INR 520/- (FIVE HUNDRED & TWENTY ONLY) in cash only.**
- **Examination:** OMR based examination will be held in the month of April 2017. The location of the examination shall be the school premises during school hours.
- **Prizes:**
 - Top 10 National Champions will attend **3 days Science Camp in Singapore.**
 - Top Rankers of each class from each School will be awarded with **Gold Medals.**
 - Award Ceremony for the top 10 Astro-champions will be organized in Singapore only.

Note: *Air tickets, surface transportation and accommodations for all National Champions & their Coordinators would be arranged by NAC.*

Parents may also refer to the website at <http://www.nac2017.org> to verify the details.

Interested parents are requested to fill the consent form and send the registration fee to the class teacher by 20th February 2017. Late fee will not be entertained.

----- Tear Away -----
